CHASSIS GUIDE

Cutaway Cab	Wheel Base	GVWR	Wheels
Sprinter Model 3500C	170"	11.03K lbs.	Dual Rear - 16"

The Sprinter is the only chassis that will work with the ES/1000. See the ES/2000 for other chassis combinations.

Optional Timbren load stabilizers for the rear axle are recommended

Hackney reserves the right to make changes on standard and optional equipment at any time without prior notice. All available options and standards are not listed. Since chassis specifications can change at any time, Hackney can not guarantee that these wheelbase/body combinations will be compatible.
