

WARRANTY

INCLUDES HACKNEY CONTRACTOR SERVICE & VENDING BODIES

Hackney warrants, to the original owner, that the body and applicable chassis alteration will, with reasonable care and maintenance and subject to normal intended use and service, provide dependable performance during the specified warranty period. Should any defect covered by this limited warranty develop during the warranty period, Hackney will repair or replace, at its discretion, the component at an authorized service center, or at its factory, subject to the limitations listed below:

The electrical system shall be warranted for a period of one year from the date of delivery to the original purchaser. The warranty shall be limited to all Hackney installed wiring harnesses. The warranty does not cover circuit breakers, relays, flashers, light bulbs and fixtures and other electrical or electronic devices covered by separate component manufacturers' warranties.
